2019-2020 Monthly Report Form Manual

Hello, fellow Secretary!

The **Monthly Report Form (MRF)** can look pretty intimidating upon the first glance, right? But have no fear, this manual will be your guide along the way and will answer any questions that you may have when it comes to filling this out every month! This is very important for your club, as it keeps track every month of what events you had to compile it into annual totals at the end of your term. This is where the Club Event Report Forms (CERF) comes into play since you will be getting most of the information about events from those files!

Other than that, it is really important that you send this out on time every month as well. So while you are efficiently and accurately filling this out every month, **don't forget to turn it in by the 5th** (unless stated otherwise)!

If there are any questions or concerns, please don't hesitate to contact me!

Warm Regards,

Jennifer Sandoval
2019-2020 District Secretary

START HERE AND INSTRUCTIONS TABS

- **“Start Here” Tab**

- Just like the CERF, this tab is another brief message from me. However, there is also an important reminder of who to send out your MRFs to!
- You may also **revise** any information for a month afterwards as well.
 - **ex.)** Revisions for March can **only** happen in April, so make sure you have revised all that you needed before it's time for the May MRF!
- If, for some explanation, you need an **extension** for the MRF, then you must e-mail me at cki.jsandoval@gmail.com.

- **“Instructions” Tab**

- This is a brief overview of all the tabs in the MRF! Following afterwards is another section explaining what each tag represents, so if you are not sure about an event tag, refer to this section. If you're still a tiny bit confused, then please ask me!
- One important change to note is the **change of the International Service Initiative tag to the International Service Partner tag**.
 - This change was implemented because there is no longer an International Service Initiative. Thus, the tag has been replaced with the International Service Partner (ISP) tag. You can find the partners that we work with by going to <https://www.circlek.org/service#partnerships> and clicking on "Get to Know Our Partners."
 - The international partners that we work with are **March of Dimes, UNICEF, Better World Books, St. Baldrick's Foundation, and Students Team Up to Fight Hunger**.
- At the end is the information **in red** of all the people who you should be sending your MRFs to. Make sure that you are sending your MRFs to them!

Sound good? You can do it; I believe in you! Contact me if you are confused about anything in the MRF.
Remember, the MRF must be sent to the CNH District Executive Board and District Administrator (cnh-mrfs@googlegroups.com), Lieutenant Governor, Faculty Advisor, Kiwanis Advisor, Regional Advisor, and Club President by the 5th of every month. Revisions for the previous month can be made up until the 5th of the following month; you only get 30 days, so please use your time wisely!

CLUB ADMINISTRATION TAB

- This is where you list down information about your club's board officers for the term. It is broken down into sections with the advisor being the first, then the executive board, and then the appointed board.
- Don't forget to type down your school name and mark which division you are from! After filling these two out, they should appear in the rest of the tabs when needed.
 - Also, **the "Select Division" is a drop down list**, so if you spell your division incorrectly, it's not going to work!

2019 - 2020 Administration Roster for					
School Name					
Select Division					
	Meeting Frequency	Meeting Day	Meeting Time		Meeting Location
			HH: MM	AM/PM	
	Club Website		(Insert your club URL here)		
	Club Mailing List		(Insert your club mailing list here)		

(When you click on "Select Division" a drop down arrow should appear to the right.)

- If your club has **one** general Vice President, then list them as a Vice President of Administration and leave the other blank.
- If your club has a **Secretary-Treasurer**, then list them as **both**.
- If any of your board officers changed their information, or if a board member resigned, then please mark when the information changed at the provided section to the right.
- If your club has two appointed board officers of the same position, then they should be **listed across each other**, not above or below each other.

CLUB MEMBERSHIP ROSTER TAB

- This section is a list of **ALL** your members whether or not they paid their dues!
 - Clubs keep track of members who are Non-Dues-Paid in case they decide to pay their dues in the future. This is so all the events that they went to as a non-paid member will be accounted for by the end of the term.
- **When you are filling this section out, it is by Last Name, First Name in alphabetical order.**
- As soon as you marked what day they paid their dues, they will be automatically counted towards your "Number of Dues-Paid Members" counter.
- Most of the information about your club members should be on the membership application that you have provided for them.
 - However, you can receive additional information by accessing the **Membership Update Center**, which you and your club Treasurer should have access to.
 - If you don't know how to access this, then please ask your predecessor, club treasurer, or you can email memberservices@kiwanis.org.
- Keep track of how many members pay their dues in a particular month so you can input that information for that respective month!

- **Everything here will be automatically filled out**, so you don't have to worry about inputting data!
- Administrative, event, fundraising, and growth totals are counted towards here. This section is especially useful when filling out awards for District Convention.
- This section can also be used to compare between months as you go along the way of the term, possibly to serve as a motivator for your club to do better next month if there were struggles encountered the previous month.

• “Club Trends” Tab

- This section is used specifically to compare and contrast between your term and 3 previous terms.

- You can get the information about the previous terms if you look at last term's February MRF and copy and paste their data onto yours.
- **Leave the section for your term alone** as it will automatically fill out along the way!
- Once all the data from previous terms have been inputted, the graphs will update and provide a visual trend.

Jennifer Sandoval:
Be sure to fill this out thoroughly at the beginning of your term with your fellow board members so you can check back every now and then to see if your goals have been met.

The District Board will also be looking at this page to figure out what ways we can provide your board support!

- This is where you and your board members discuss what goals you would want to achieve by the end of the term!
- Please thoroughly fill this out because the district board and I do intend to look at this section to come up with different methods to help you and your club achieve!
 - If you reach your goals, then we reach our goals as well!
- When this section is filled out, it will show you how much progress you made by each seasonal reflection and how much more you need to reach your goals by the end.

MONTHLY REPORTS TAB

- Now, here is the section you all have been urgently waiting to fill out! This is where you are going to input data of all the events your club went to, what you fund raised, how you managed your relations with the Kiwanis Family, and how many meetings your club held. I will be breaking this down by sections on the MRF that have a **dark blue background**.

- The top portion of these tabs will show you your club's progress towards the club goals that you filled out in the "Club Goals" tab. This will help in regards to what events you need to plan to eventually reach the goals in the end!
- There are bound to be some challenges your club faced along the way, so please list them out alongside what new things that were or were not implemented.

OTHER NOTES

- You made it! Now there are 11 more months to fill out, but it wasn't so bad, right? I hope that this manual was able to help you with the overview of the file. If there are specific questions that I was not able to answer with this manual, then please don't hesitate to contact me!
- **Here are some other notes or reminders:**
 - When sending your MRFs, please title **BOTH** the subject line and the excel file like this template: "NameofSchool Month_MRF_1920."
 - ex.) Sacramento State March_MRF_1920
 - Do **not** forget to send your MRFs to the following individuals: **District Administrator, District Secretary, and District Treasurer** at cnh-mrfs@googlegroups.com; your respective **Lieutenant Governor; Faculty Advisor; Kiwanis Advisor; Regional Advisor; and Club President** by the 5th of every month.
 - It does not state so, but **I recommend sending the MRFs to the rest of your club board as well** so they have an understanding of what you do with these important forms.
 - **Revisions**, which should be marked in **red**, for a certain month on the MRF can only be made the next month.
 - ex.) You can make revisions to the March MRF **only** in April.
 - If you need an extension for one of the months, then please contact me so we can make arrangements.
 - If you noticed that there are watermarks on the some of the sections, such as "Page 1" or "Page 2," then you can remove it by selecting view at the menu and view it as "Normal," like so:

If there are any more questions, then you may e-mail me at secretary@cnhcirclek.org or cki.jsandoval@gmail.com.
